Additional Clause: Client's Expectations

1. Client Responsibilities:

Client agrees that engagement in this project will necessitate active collaboration, including but not limited to timely provision of content, insights, or any requisite data that may enhance the effectiveness of the Provider's services. It's appreciated that this multifaceted cooperation promotes value addition to Client's overarching marketing objectives.

Miscellaneous Addendums

1. Arbitration and Governing Law:

The parties agree that all disputes arising under this Agreement shall first be discussed amicably between the parties and, if necessary, shall be settled through arbitration in accordance with the laws of the jurisdiction where the Provider is located, preserving both parties' operational integrity.

2. Severability:

If any portion of this Agreement is found to be unenforceable or invalid under any law, such enforceability shall not affect the remaining provisions, and all other provisions shall remain in full force and effect.

This Agreement shall be considered effectively executed only upon the acceptable validation of both parties, and may be witnessed if necessary. Signed on this day, the 15th of September, 2023.
