

Service Agreement

This Agreement (hereinafter referred to as "the Agreement") is entered into as of September 15, 2023, between Creative Solutions Ltd., hereinafter referred to as the "Provider," and Tech Innovations Inc., hereinafter referred to as the "Client." The parties collectively may be known as "the Parties."

This Agreement formalizes the terms for the provision of specialized services, encompassing a variety of activities and professional engagements, the details of which are outlined in the segments below. The Contract number associated with this Agreement is CS-2023.

1. Service Description & Quantity

Description of Goods and Services	Quantity	Price per Unit (€)	VAT (%)	Total (€)
Software Development	1	25,000	20	30,000
UI/UX Design	2	1,500	20	3,600
Project Management	3	2,000	20	7,200
Cloud Hosting Subscription	1	500	20	600
Technical Support	10	100	20	1,200
Subtotal				33,760
Tax				5,840
Total Amount Due				39,600

It is understood that the Client may inquire about changes or adjustments to the type of services provided. However, any modifications must align with the original terms established herein. The payment is expected within a window of 30 days following the receipt of notice for services rendered.

The Provider remains committed to delivering services that meet industry standards and fulfill the Client's expectations. Furthermore, the comprehensive nature of the collaboration insists on open lines of communication at all times throughout the engagement.

2. Payment Details

Payments under this Agreement are to be made through the banking details of the Provider as follows:

Bank: HSBC Bank
Account No: 123456789

The balance due is calculated at the end of the services rendered, summing to a total amount of €39,600 after the requisite adjustments for applicable taxes. It is imperative to note that no advance payments have been arranged; thus, the entirety of the fees is to be paid upon the previously established due date.

Moreover, the parties are advised that the Client's obligations extend beyond mere payment; timely processing may be impacted if the necessary inbox capacity does not allow for swift clean-ups or reviews of incoming communications. The Provider is also keen on discovering if there are any incentives for early payments, albeit none are established directly in this contract.

Oh, and should the Client require further correspondence, the Provider's promotional information can be reached at the contact number +44 (0) 20 7123 4567 or through the email at info@creativesolutions.com. Queries about promotional activities are also encouraged through the website www.creativesolutions.com.

3. Contact Information

Provider:

Creative Solutions Ltd.

Email: contact@creativesolutions.com

Client:

Tech Innovations Inc.

Address: 101 Tech Park, London, UK, EC1A 1BB

Email: accounts@techinnovations.com

Phone: +441632960961

While the essentials of communication are laid out clearly, both parties agree to discuss and clarify any ambiguities that may arise throughout the term of this Agreement. It is recommended that periodic updates be provided regularly, ideally every two weeks, to ensure both parties maintain alignment on project timelines and key deliverables.

In cases where additional information is needed, the Provider expresses willingness to collaborate further to achieve desired outcomes effectively. The Client is encouraged to extend any inquiries regarding their vision or objectives, which will assist both in navigating the complexities of this professional venture.

4. Notices

All notices required to be given hereunder shall be addressed to the respective parties at the addresses provided above and shall be deemed to have been duly given when delivered personally or by certified mail, return receipt requested, or upon receipt via electronic mail provided such email is confirmed through a follow-up communication. The importance of clear communication cannot be overstated, and it is thus envisaged that both parties shall avoid reliance on less formal lines of discussion, notably text-based messaging applications, for the conveyance of critical information.

In conclusion, the relationship between the Provider and the Client entails numerous responsibilities and expectations on both sides, emphasizing a cooperative spirit and the ultimate goal of achieving excellence in deliverables. It shall be prudent for each party to reflect on the outlined sections of this Agreement henceforth, particularly the intricacies within regarding payment schedules and service revisions.

Should there be any point of confusion or concern, both parties may wish to engage in dialogue to rectify such circumstances posthaste, ensuring a smooth progression throughout the duration of this collaboration.
