Clause of Provision

The provision of services laid out in this agreement encompasses a variety of offerings that are essential to the successful functioning of digital operations. Notably, the first entry into this document relates specifically to Cloud Storage Solutions. Herein, five units are committed at a value of €200 each, concluding alongside VAT adds to a total foundation amounting to €1,200. Such arrangements shall also span various domains ensuring comprehensive service outset.

Further deepening the portfolio, the agreement includes a meticulous layer featuring Technical Support services. Ten units shall be designated, priced at €75 each, inclusive of VAT, yielding an overall contribution of €900. This secure base ensures the clients at Global Enterprises are afforded a layer of support, fundamental for their operational viability.

To expand upon this, Website Hosting will be provided. Just one unit, at a strategically established price of €300 hosts an inclusive VAT component, which aggregates into a total of €360. All units evoke foundational elements necessary to maintain an uninterrupted web presence and therefore vitality in today's market landscape.

Fee and Payment Structure

To encapsulate the overall valuation of services and provide a clearer picture based on the aforementioned segments, a detailed tabular layout is thoughtfully curated below:

Service Description	Quantity	Price/Unit (€)	VAT (%)	Amount (€)
Cloud Storage Solutions	5	200	20	1200
Technical Support	10	75	20	900
Website Hosting	1	300	20	360
Consultation Services	3	150	20	540
Subtotal				€2660
VAT Total				€432
