1. Object of the Contract

This contract is made on the 10th of September 2023, encapsulating the terms for services provided by Compania IT Soluții to Servicii Web SRL. Services will include:

Service Description	Quantity	Unit Price (lei)	VAT (%)	Total Amount (lei)
Dezvoltare Aplicație Mobilă	1	15,000	19	17,850
Optimizare SEO	5	700	19	4,165
Total				22,063.85

The aforementioned services shall be executed while adhering to the standards of quality as expected within the sector.

2. Payment Details and Currency

The payment for the services rendered shall be conducted in Romanian Lei (lei). The total due amount of 22,063.85 lei will serve as the basis for the transaction. It bears noting that penalties for delays in payment will accrue at 5% monthly starting from the due date stated below.

Additional information relevant to the payment includes inter-quarterly assessments which may affect the total balance; this is pertinent in understanding how fluctuations in service usage may influence financial responsibilities.

Bank Details for Payment:
Banca Transilvania, Număr Cont: 123456789

3. Contract Duration and Recurring Services

In accordance with our discussions, the duration of this contract is established at six months, which provides ample opportunity for evaluation and re-negotiation of terms. Payments will be scheduled on a monthly basis throughout the engagement period. Noteworthy, the first installment is due on or before 10th of October 2023, followed by recurring payments that occur monthly thereafter.

The services provided are not merely a one-time facilitation but entail ongoing commitments which require attention. Each installment reflects portions of laid out services, which shall amount to the original total, reassessing any additional services required during the period.

4. Additional Provisions

By accepting this contract, parties acknowledge that the details herein are sufficient for maintaining professionalism throughout the engagement. It is advisable that both parties remain in regular contact for the duration of this contract, ensuring that all needs and needs assessments are promptly addressed.

Consideration of Future Changes

The company reserves the right to make adjustments to service offerings based on evolving market conditions or internal company strategies without prior notice, yet within the bounds of professional communication guidelines.

In conjunction with these services, any additional promotions or projects may be discussed with our promotional team. Feel free to reach out via the following contact points:
