

Contract Agreement

This Contract is made effective as of September 15, 2023 (the "Effective Date"), between Tech Innovations Ltd. (hereinafter referred to as "Provider") with an email correspondence at contact@techinnovations.com, and Creative Agency Inc. (hereinafter referred to as "Client"), reachable at accounts@creativeagency.com, located at 123 Creative Ave, London, UK.

1. Nature of Services

Description of Engagement

Provider agrees to perform the following services, hereinafter referred to collectively as "Services":

- Graphic Design Services

Total Units: 4

Price per Unit: €250.00

VAT Inclusive: 20%

Amount: €1,200.00

- Video Production

Total Units: 1

Price per Unit: €3,500.00

VAT Inclusive: 20%

Amount: €4,200.00

Total Services Rendered

The cumulative amount for the Services stipulated herein amounts to €5,400.00, exclusive of VAT. The total liabilities to the Provider are encapsulated in the following financial structure:

Service	Quantity	Price per Unit	Amount
Graphic Design Services	4	€250.00	€1,200.00
Video Production	1	€3,500.00	€4,200.00

Upon addition of applicable VAT (20%), the overall financial commitment thus escalates to a total of €6,240.00. Exact compliance is vital to maintaining a harmonious business engagement.

2. Payment Terms and Conditions

Due Timeline

The total amount of €6,240.00 is due for payment by October 15, 2023. This due date is derived from a period that spans 30 days after the Effective Date noted above. Consequently, this aspect ensures timely reimbursement to the Provider for the Services rendered.

Payment Instructions

Payments should be directed to the following bank account to assure expedient processing:

- Bank Name: Novel Bank

- Account Number: 123456789

Clients may choose from various payment methods, ensuring compliance with the Provider's practices. Should the Client have any inquiries regarding the payment, they are encouraged to contact the Provider's promotional team at +441155667788 or via email at info@techinnovations.com.

Promotional Implications

Furthermore, any emerging nuances that may affect the nature of services provided need to be communicated promptly—which includes contingencies that may arise due to unforeseen macroeconomic fluctuations or supply chain discrepancies. The Provider reserves the right to adjust financial expectations under such circumstances as deemed appropriate.

3. Additional Terms

Reference Identifier

This agreement correlates to Contract Reference: TI-2023-045. It must be noted that this reference simplifies tracking and management of respective agreements and services. Associated data ensures accuracy and accountability throughout the duration of the contract.

Recurring Clauses

This contract encompasses a recurring clause for a span of 1 year, reaffirming that payments are slated to transpire monthly. This structure is designed to provide both parties with predictable cash flow and guarantees service availability for the duration of the term.

Miscellaneous Provisions

While the contractual obligations are of paramount concern, it is essential to highlight that trivial components also form an underlying framework of our operational ethos. The Provider appreciates elements such as timely communication regarding service changes, or potential amendments that may necessitate price adjustments. A habit of frequent engagement will foster an environment conducive to sustained collaboration.

4. Debts and Balances

Outstanding Balances

As of today, the current status reflects an outstanding balance of €6,240.00 which remains unpaid. Payments are facilitated through a systematic approach to ensure that both parties receive timely updates regarding balance status.

Item	Amount	Status
Subtotal	€5,400.00	Unpaid
VAT	€840.00	Unpaid
Total	€6,240.00	Outstanding

Termination and Limitation of Liability

The termination terms will align with the stipulated duration and recurring conditions. Should any disputes arise, a conflict resolution strategy will be employed focusing on amicable dialogue and problem-solving.

Final Integration

In conclusion, this binding agreement forms a contractual framework for engagement between both parties, encapsulating comprehensive details regarding Services to be rendered. Compliance with payment timelines and effective communication form the bedrock of a successful partnership.
